Kinston Announces 2 Students As Scholars In Merit Competition

Principal E. C. Nevin of Kinston High School announced on Thursday, September 27, that 2 of the school's students have been named Semifinalists in the 1962-63 Merit Scholarship competition.

He said they became Semifinalists through their outstanding performance on the National Merit Scholarship Qualifying Test, the first step in the eighth annual Merit Program. The students cited for their high achievement are Barbara Sue Mallory, daughter of Mr. and Mrs. Charles Mallory, and Roy Donaldson, son of Mr. and Mrs. Bob Donaldson.

They are among approximately 11,000 seniors throughout the country who attained Semifinalist status. Each Semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice.

The qualifying examination, a test of educational development, was given in more than 16,000 high schools last March. The Semifinalist group is composed of the highest scoring students in each state and in United States territories.

The Semifinalist group represents a constant percentage of each year's high-school graduating class nationally. In previous years about 10,000 Semifinalists were named annually. The number of Semifinalists this year is 11,000 because of the increased number of students to be graduated in 1963.

John M. Stalnaker, president of the nonprofit National Merit Scholarship Corporation, described the Semifinalists as "representative of the best of a new generation of young people who are increasingly conscious of the importance of intellectual achievement."

"The qualities and aspirations of the Semifinalists typify the abilities and goals of the country's most able youth. Although we must be concerned about juvenile delinquents, we should focus our attention too on youngsters such as these students. They are ambitious, levelheaded, hard-working, and very able."

"We should recognize also that, by encouraging these characteristics, their parents and teachers have played a big part in their success. Similarly, the development of the intellectually talented depends as well as on the level of support a community gives its schools and the extent to which adults in general respect intellectual attainment."

"It is for such reasons that the Semifinalists bring honor not only to themselves, but also to their parents, their schools, and their communities."

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names of Semifinalists to all accredited colleges and universities and to other scholarship-granting agencies and financial aid sources. Studies show that about 50 per cent of the Semifinalists obtain financial aid from sources other than the Merit Program.

The Semifinalists will take another rigorous examination, the three-hour Scholastic Aptitude Test of the College Entrance Examination Board, to be given in testing centers throughout the country on December 1, 1962.

Students whose scores on the second test substantiate their performance on the qualifying test and who are endorsed by their high schools will become Finalists in the competition.

In past years, about 27 per cent of the Semifinalists have become Finalists. All Finalists receive a Certificate of Merit in recognition of their outstanding performance in the program.

As Finalists, the students will be eligible for scholarship awards sponsored by NMSC and about 150 business corporations, foundations, unions, professional associations, and individuals.

In the final phase of the competition, the high school grades, creative accomplishments, leadership qualities, extracurricular activities, and school citizenship of the students will be evaluated along with their scores on the tests.

About April 24, 1963, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1962 NMSC and sponsors together awarded 1,050 Merit Scholarships.

Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

For Merit Scholars who require financial assistance, awards may reach a maximum of \$8,000 for the four years of college. For students who already possess financial resources which will enable them to attend the colleges of their choice, the awards are \$400 for the four years. Stipends now average about \$850 a year.

A Merit Scholarship is also a form of "educational insurance" for the student who receives it, because the amount of the stipend will be increased at any time while he is in college if there is a significant change in his family's financial situation.

Finalists designate the college they wish to attend and the course of study they plan to pursue. The colleges chosen by the Merit Scholars in most instances also receive supplementary grants.

The Merit Program was established in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York. In April 1962 the Ford Foundation announced an additional grant to continue the program through 1970.

NMSC and sponsors have thus far contributed about \$14 million in direct financial assistance to nearly 6,000 students and their colleges. This amount is exclusive of obligations to the 3,300 Merit Scholars now in college. In addition, through the program's special services, thousands of other outstanding participants have been helped in obtaining aid from other sources, and colleges have been assisted in their efforts to locate the intellectually able.

Roberts Resigns As Coffee Republican Party Chairman

Elmo B. Roberts, for several years the chairman of Coffee County's Republican Executive Committee, rendered his resignation recently to the State Executive Committee. Roberts listed his physical condition as prompting the action.

"I am tremendously interested in the welfare and success of the party and am willing to assist in any way possible to further our efforts," Roberts said.

Mrs. Mae K. Wise, 55, died Sunday, September 23, in Montgomery. Funeral services were held from the Kingdom Hall of Jehovah's Witness Tuesday afternoon at 3 o'clock with George C. Dawkins officiating. Burial was in the Danacene Cemetery.

Survivors include four sons, J. W. Wise, of Samson, Dykes Wise, of Arion, Samuel Wise, of Saint Petersburg, Florida, and Vernon Wise, of Winter Garden, Florida; five daughters, Joyce Wise and Gayle Wise, both of Elba, Faye Wise, of Montgomery, Mrs. Betty Masser, of Andalusia, Mrs. Peggy Nelson, of Americus, Georgia.

BASIL WHITMAN MOTORS OBSERVED THEIR FORMAL OPENING IN THEIR NEW BUILDING SATURDAY, SEPTEMBER 29th. MORE 500 VISITORS REGISTERED DURING THE DAY. ON DISPLAY WERE NEW 1963 AUTOMOBILES AND GMC TRUCKS. COMPLETE STORY OF GRAND OPENING WILL APPEAR IN NEXT WEEK'S CLIPPER ALONG WITH OTHER PICTURES. PICTURED THIS WEEK ARE WINNERS OF PRIZES ON

Winners of prizes awarded on the day of the Grand Opening are seen in the second picture from the top. Left bottom picture are Mr. and

Mrs. Whitman and the children who pulled the winners home from a box. They are Jo Ann Bailey and Billy Fuller. Standing near Mrs. Whitman is L. C. Sharpless, who assisted Dozier Roberts, right. Master of Ceremonies. Prize winners were John Thompson, Opp, Bill Maddox, Mrs. Frances Price, Jim Ammons, Mrs. Frances Farris, Mrs. Alvis Farmer, Mrs. B. S. Lewis, Jimmy Hornsby, Mrs. Evelyn Reeves, Mrs. J. W. Moody, Byron F. Sanders, and John F. Brunson, all of Elba. Right picture is scene of guests as they registered with Miss Janice Crocker as they entered the display room.

Winston Appointed Counselor At Magnolia Dorm

Roger Winston, son of Mr. and Mrs. Roger B. Winston of Elba, Ala., has recently been appointed to serve as a division counselor during the Fall quarter in Magnolia Dormitories, the men's dormitories at Auburn University. Winston, a 1961 graduate of Elba High School, is a sophomore in Chemistry. Since he has been at Auburn, Winston has become a member of the Alpha Phi Omega Service Fraternity.

Winston is one of 30 residents appointed to serve as division counselors in Magnolia Dormitories. This group will work with the dormitory staff in supervision academic, religious, social, and athletic activities for the 1,112 residents. The counselors are appointed on the basis of their academic achievement and leadership abilities.

Each of the counselors will be assigned to live in one of the divisions of the dormitories where he will be responsible for promoting all phases of dormitory life. He will have under his direct supervision from thirty-six to fifty-four residents. This will be Winston's first quarter to serve as a counselor.

Various Licenses Due October 1 At State's Probate Judge Offices

State license, business and professional license, auto and truck tags, boat tags and hunting and fishing licenses, are in Elba at the Probate Judge's office.

Persons renewing their state license and privilege license may save time by bringing their last year's license along with them to be renewed.

Deadline for state, business and professional licenses will be October 31. Deadline for motor vehicle license, as in prior years, will be November 15. The deadline for boat tags will be the same as for auto tags. All persons who need to renew licenses are urged to do so early as practicable in order to avoid the last minute rush and to avoid a possible penalty.

Elba First Baptist Launch Stewardship Campaign Sunday

The First Baptist Church of Elba announces the launching of its 1963 stewardship campaign this Sunday, October 7. Committee chairman for the campaign are, budget planning, Elmer Taylor; budget pledging, Judge Eris Paul; budget promotion, Jack Brunson; loyalty dinner, Carlton Larkins; reservations, Mrs. Paxton Miller; children's party, Mrs. C. T. Proctor; lesson committee, Fleetwood Carley; tally committee, Alva Devane; office help committee, Mrs. Evelyn Houtt; assignment supper, Mrs. Daywood Taylor; report snack chairman, Mrs. T. T. Rhodes. Mrs. Carlton Larkins is campaign secretary, and Fred Clark is steering committee chairman.

Fred Clark, Mrs. J. L. Poole, George Collier, Mrs. Alva Devane, T. K. Dorsey, and Mrs. Joe Jacobs will give stewardship testimonies in the Sunday services on the first three Sundays of this month. The campaign will be climaxed by a special dinner at the Elba school dining room on October 24, and by Pledge Day and Victory Day on October 28, and November 4.

ELBA JUNIOR TEAM TO PLAY TROY JUNIORS TO-NIGHT ON HOME FIELD

The Elba Junior High football team will play the Troy Junior High team

Opp Defeats Elba 27-6, Fumbles Plague Tigers

The Elba Tigers lost their first game of the season to the Opp Bulldogs 27-6. The Tigers were plagued in this game by injuries, penalties and fumbles. Opp scored twice by capitalizing on Elba's fumbles.

Early in the first quarter Jimmy Enzor fumbled a low pass from center while trying to punt and was tackled on his own 26 yard line. Opp received the ball on downs and a penalty against Elba, moved it to the Elba 17 yard line. Johns for Opp carried the ball over for their touchdown after only three minutes and fifteen seconds. Opp also made the extra point on a field goal.

Elba fumbled again in the first quarter losing the ball to Opp on the Elba 29 yard line. This time however, the Tigers held not allowing Opp to score.

In the second half there was no scoring, but Opp dominated the play. Opp took the ball into the end zone once on a pass but the play was called back on a penalty against Opp.

In the second quarter Elba kicked off to Opp and soon forced Opp to punt. Elba fumbled the kick with Opp recovering on the Elba 38 yard line and driving in to score soon after.

Elba's only touchdown was set up on a beautiful pass run from Tony Hudson to Dwight Holley on the Opp 40 yard line. Holley ran the ball down to the Opp 4 yard line before he was tackled by Johns. After the Tigers punted their way to the one yard line, Rodolph Free ran over for the touchdown.

Opp came back to score again after the kickoff when a pass to Daniels on the Elba 22 yard line set up another Opp touchdown. Griffin led by some beautiful blocking went around left end for the score on the next play.

Opp's last touchdown came with seconds left in the game as a pass from Griffin to Donaldson went 40 yards to the Elba ten yard line putting Opp in scoring position. Griffin passed to Daniels in the end zone for the score with Opp missing the extra point. The game ended with the score 27-6 for Opp.

Outstanding on defense for Opp were Albert Daniels, John Hurst and Terry Ballard. Playing outstanding defensive ball for Elba were Jimmy Enzor, Sammy Edmondson and Joe Spurlin.

This Friday night Elba faces Enterprise here at their own stadium.

FREE AND EDMONDSON NAMED OUTSTANDING PLAYERS

Rodolph Free who made several fine runs and scored Elba's lone touchdown against Opp last Friday night, has been named offensive player of the week by the Elba Junior Chamber of Commerce.

The defensive award went to Sammy Edmondson. Fred Smith who also played a good defensive game almost edged Edmondson out in the final voting.

Up-night, Thursday, Oct. 5th in Elba. The game will begin at 6 o'clock at the stadium.

POOR ORIGINAL

THROUGH THE KEYHOLE

BY MRS. ROBERT CANNON

THE AIR WAS CRISP, the hush of the crowd as they waited for the first football game of the season.

And it proved to be the largest crowd ever gathered to see a game in that city—over fifty thousand people. And as we looked around the enlarged stadium, we didn't find a single empty place. Our seats were on the third row from the top and at that altitude one could look down on the tangle of the crowd. There was an uneasy sensation of being about to pitch head first into the crowd.

Then the view was marvelous. The nicest part of the game is seeing friends. And we especially enjoyed being with Lorene and Sam Sawyer and Lela Ann (Sawyer) and Martin Dyess. Lela Ann looked especially pretty in a black and white checked suit with a black velvet belt nestled in her blond hair. She told us she is enjoying Huntsville and Martin related that he got to see President Kennedy when the President toured the missile base. (Do you remember about eight years ago when the "Key-hole" ran a series of pictures of this young couple enroute to a high school Christmas dance?)

In the lobby of the Tutwiler Hotel we enjoyed a chat with Mr. and Mrs. Royce Snellgrove of Enterprise who gave us news of some of our favorite people. We saw them later at dinner at Joy Young's and were pleased that their young son, Bob, came over to speak. Bob is a sophomore at the University and is taking the Honors Program and doing extremely well.

We saw others that were familiar. The couple next to us had been requeued with us at last year's Auburn game; Mrs. Cleone Woodhams of Opp recognized us and waved from across the aisle. In the lobby of the Moton Hotel where we went for a post-game snack, Becky and Kenneth Fuller of Enterprise were preparing to leave, spoke briefly with "Candy" Johnson of Opp in town to attend a meeting and Mortimer Jordan, former law professor of Bob's. As we were leaving the Redmont with luggage piled high, we saw the new governor with his party, also checking out. And on the busy street we saw Joannette Garrett, who, as always, was smiling and affable.

THE NICEST THING that happened this week was receiving a card from Panama City, Florida, from Alma Morrow who wrote to say she was reading our column. What a nice, warm feeling to realize that across state boundaries our little newspaper is eagerly awaited each week. And that's another of the things we love about Elba—the deep interest everyone feels about the town and its people, even though miles separate us.

Alma is happily settled in Panama City and has found a nice circle of friends there. She is cashier at The Shrimp Boat, one of the town's outstanding restaurants, and sees many of our vacationing Elbians there. We'll certainly drop by on our next trip to say "hello".

THE BRITISHARE show sensible people. Or, so I have thought ever since I learned that in England there is no television from six o'clock to seven at night so that mothers can get their offspring to bed. And now I learn that no television advertising there.

trimmings for healthy appetites to enjoy and later in the day the cowboy-bedecked cake was cut. Some thirty friends were invited and we were sorry that a trip to Troy prevented our little girl from being there.

Two sweet little girls are now a year older. Judy Lee daughter of Mary Alice and John Glen Lee cut her pretty yellow cake at school last Tuesday. And on that same day Melanie Leigh, daughter of Jeanne and Freddie Kainer doubled her age by becoming two.

ENJOYED several long telephone conversations with "Taz" Mulatz this week as we two are working on a school project. In the news exchange, we learned that her mother, Mrs. Arthur Reese of Fort Deposit, has been here for a visit. And Taz told us how very much the whole family had enjoyed her stay and that they are hoping she won't wait so long to make another trip our way as she did this time.

IMPRESSIONS OF THE CONTEST: Mayor Douglas Roberts was in rare form as he "enacted" the "Miss Elba" contest Thursday evening. Many thanks to whoever eradicated the bathing suit from the contest. Thursday's show was a lovely example of dignity and poise.

We liked the flowers the girl's carried and the long white evening gloves. I detect the influence of Sybil Taylor here. How pretty they all were, their youth worn proudly upon their bare shoulders. Each deserves praise for a nicely turned performance.

The audience came early and stayed late. We saw: Helen and Curtis Smith talking to friends; Zelma DeVane and Mrs. Dave Vaughan coming down the aisle together; Pearl Mescham and Betty Joyce Ellis, she a former "Miss Enterprise" sitting near us; Elizabeth Miller, Grace Waters and Sue Young looking for an aisle seat; Kate Murphree, May Alice Wise and Susan (Marphree) Davis making room for Margaret Hale next to them; Maxwell Reeves Jr. looking debonair in a red gambler's vest and string

tie and possessed of a manner destined to cause girlish hearts to flutter.

"BLUE as the water mama used to wash overalls in" is the way husband Bob described Blue Lake and on our trip there Thursday we agreed. Not having been there in six years we were agreeably surprised by the beauty and size of the camp. It is a fine tribute to the spirit and vision of those who developed it.

We enjoyed everything about the day, but particularly the meeting with friends and mutual friends. Sam Min-jon (Bates) Benton of Opp and also Mary Annie Benton, mother of Betty Dorsey, who to our way of thinking is one of the real true Christians who live their faith. At dinner we chatted with the lovely lady, a Mrs. Snipes from Florida, who asked about "Ola" Brunson and said they were friends long ago. As always we enjoyed Dr. Nichols of Andalusia who is District Superintendent. The general assembly gave us a chance to see Grace Water's sister from Crestview, who is charming. The day ended too soon.

PVT. DONALD SAUNDERS RECEIVED TRAINING AT FORT JACKSON

Fort Jackson, S. C. — Pvt. Donald F. Saunders, son of Mr. and Mrs. James L. Sanders, Box 371, Elba, Alabama; has been assigned to Company A, 15 Specialist Battalion, 4th Training Regiment at Fort Jackson, for advanced specialist training in the Intermediate Speed Radio Operator's Course.

While a student at the school, he will be taught the use of the international Morse code, transmitting and receiving at a speed of 18 groups per minute. During the twelve-week course, he will also learn the different types of radio sets used by the infantry regiment, how to set up and operate each, proper radio procedure, and basic signal communications.

Capital Refunds Underway At Andy Electric Cooperative

ANDALUSIA, ALA. — Distribution of \$110,000 to Covington Electric Cooperative members as a patronage capital refund for this year, is now under way.

Some Covington Electric members has already received their refund checks. The work of issuing and delivering checks to all eligible co-op

members should be completed within the next 30 days, according to J. L. Bryant, Covington Electric President.

In all, more than 10,000 consumers who received service from Covington Electric during 1961, will share in the refund, Bryant said.

In each case, the amount refunded will be equal to 9.8 percent of the amount of the consumers' power bills paid to Covington Electric during 1961—or approximately equal to one month's free service for the year just past.

\$110,000 patronage capital refund being made this year, coupled with the \$107,000 refund made last year, brings to almost a quarter of a million dollars the amount returned to Covington Electric members over the past two years.

WHAT IS AN OTOLOGIST?

Answer: - A physician who specializes in the diagnosis and treatment of diseases of the ear. Most physicians agree that it may be dangerous to use self treatments for any ear problem. Sometimes your family physician will advise you to consult an Otolologist, if your condition is complicated.

Most prescriptions for the ear are specially compounded under aseptic conditions requiring pharmaceutical skill.

YOUR DOCTOR CAN DIAL 897-2407 WHEN YOU NEED MEDICINE!

Pick up your prescription if shopping nearby. Or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

WHITMAN DRUG COMPANY ELBA, ALABAMA

Alabama Host This Fall, Travel Council Entertains

MONTGOMERY, Ala.—Plans are complete for the Alabama Travel Council's annual Fall Tour which gets underway in mid-October. W. G. "Mac" McGrady, Mobile, president, has said.

Guests from 16 states, the District of Columbia and Canada will be in Alabama as guests of the Alabama Travel Council in Mobile October 21, in Montgomery. The Fall Tour will end in Mobile October 21, and a Mardi Gras Ball, complete with pageant and costumes, will be one of the features for the guests in Alabama.

Travel within Alabama for the 33 out-of-state guests will be aboard a chartered bus with an Alabama Highway Patrol escort, and the guests will also take a Gulf of Mexico cruise aboard the State yachts.

Overnight stops are scheduled, in addition to Montgomery and Mobile, in Birmingham, Fort Payne, Huntsville, Decatur, Tuscaloosa, and Dauphin Island.

Alabama's travel business has increased each year since the Alabama Travel Council started the Fall Tours in 1956. J. William Graham, Executive Director, said, and in 1961 travelers poured some 270 million dollars into the state's economy.

The travel experts who will visit the Heart of Dixie in October influence literally millions of motorists' routings and the majority of the guests will be from the mid-west where much of Alabama's potential travel starts. Guests will also be included from points as far west as Mexico and as far east as New York, Graham added.

ELBA VETERANS AFFAIRS

The Annual Work Conference of your Alabama Department of Veterans Affairs came to an end in Montgomery, last Friday. When we use the term "work" in connection with the conference, that's just what we mean. All employees of the Department spent three full work days reviewing the various phases for Veterans and their dependents. Hundreds of questions which had been prepared by County Services Officers consisting of experts in their various fields, including members of your Department of Veterans Affairs, representatives of the Veterans Administration and others. Just to give you an idea as to how thorough the conference was, here are a few of the subjects that came up for detailed discussion: Compensation and pension for living Veterans; compensation and pension in death claims; burial allowances; medical, hospitalization and outpatient treatment; insurance; vocational rehabilitation and education; loans; legal matters and the Alabama GI Bill.

In addition, some time was spent discussing the medical program and other benefits available to inservice personnel. Service Officers are often called upon for assistance by dependents of persons presently in service. Walter C. Head, Jr., Director of the Department of Veterans Affairs, called the Conference the most thorough and instructive he has ever attended during the Department's 17-year history. He stated that he is satisfied the Conference accomplished its purpose of increasing the

knowledge of the Department's personnel so that they could return to their home Counties throughout the State and be better qualified than ever to serve our Veterans and their dependents. Among those appearing before the Conference were: A. W. Farmer, Director of Compensation and Pension Service, from the Veterans Administration's Central Office in Washington; Harold O. Duncan, Area Director of Administrative Services, Atlanta; Dr. Jack E. Jarvis, VA's Area Chief of Psychiatry, Atlanta; and John Corcoran, the American Legion's National Rehabilitation Director, of Washington. In addition, officials of all the VA Hospitals in Alabama were present. Governor-elect George Wallace addressed the Conference at its annual banquet.

Veterans or dependents of Veterans desiring information on new laws or changes in new laws pertaining to Veteran benefits are urged to contact Maxwell Reeves, Veterans Service Officer for Coffee County. He will be glad to assist you in any of your Veterans problems. The office in Elba is located in the Courthouse. The Enterprise office is presently located on West College Avenue, upstairs over Harold Collins Furniture Company. After October 1, the office will be in the Courthouse, in the office formerly occupied by the Solicitor.

Billions to go up in smoke

WASHINGTON (AP) — Americans will smoke 497.5 billion cigarettes this year, spending a record total of \$6.88 billion for them, the Agriculture Department predicted today.

The consumer outlay for all tobacco products was forecast at more than \$7.8 billion. Spending for cigars would trail far behind cigarettes, with \$465 million forecast.

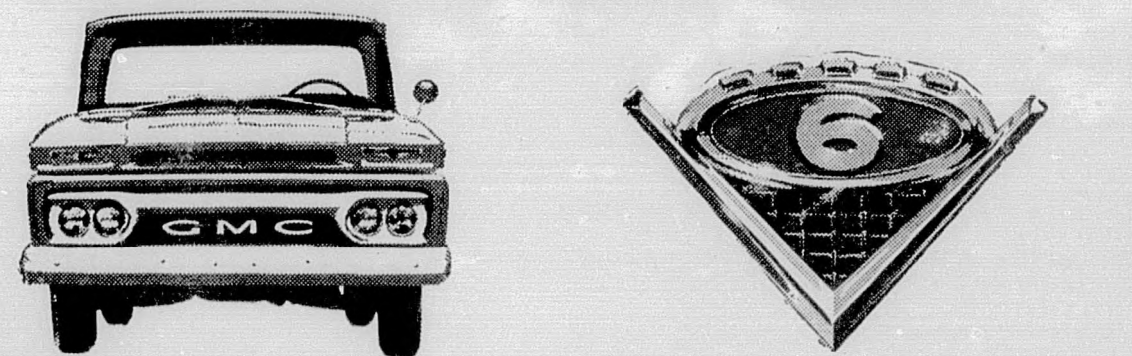

Knowledge of the Department's personnel so that they could return to their home Counties throughout the State and be better qualified than ever to serve our Veterans and their dependents. Among those appearing before the Conference were: A. W. Farmer, Director of Compensation and Pension Service, from the Veterans Administration's Central Office in Washington; Harold O. Duncan, Area Director of Administrative Services, Atlanta; Dr. Jack E. Jarvis, VA's Area Chief of Psychiatry, Atlanta; and John Corcoran, the American Legion's National Rehabilitation Director, of Washington. In addition, officials of all the VA Hospitals in Alabama were present. Governor-elect George Wallace addressed the Conference at its annual banquet.

"Your Health" is presented by your physician as a health service of The Medical Association of the State of Alabama.

CARTILAGE

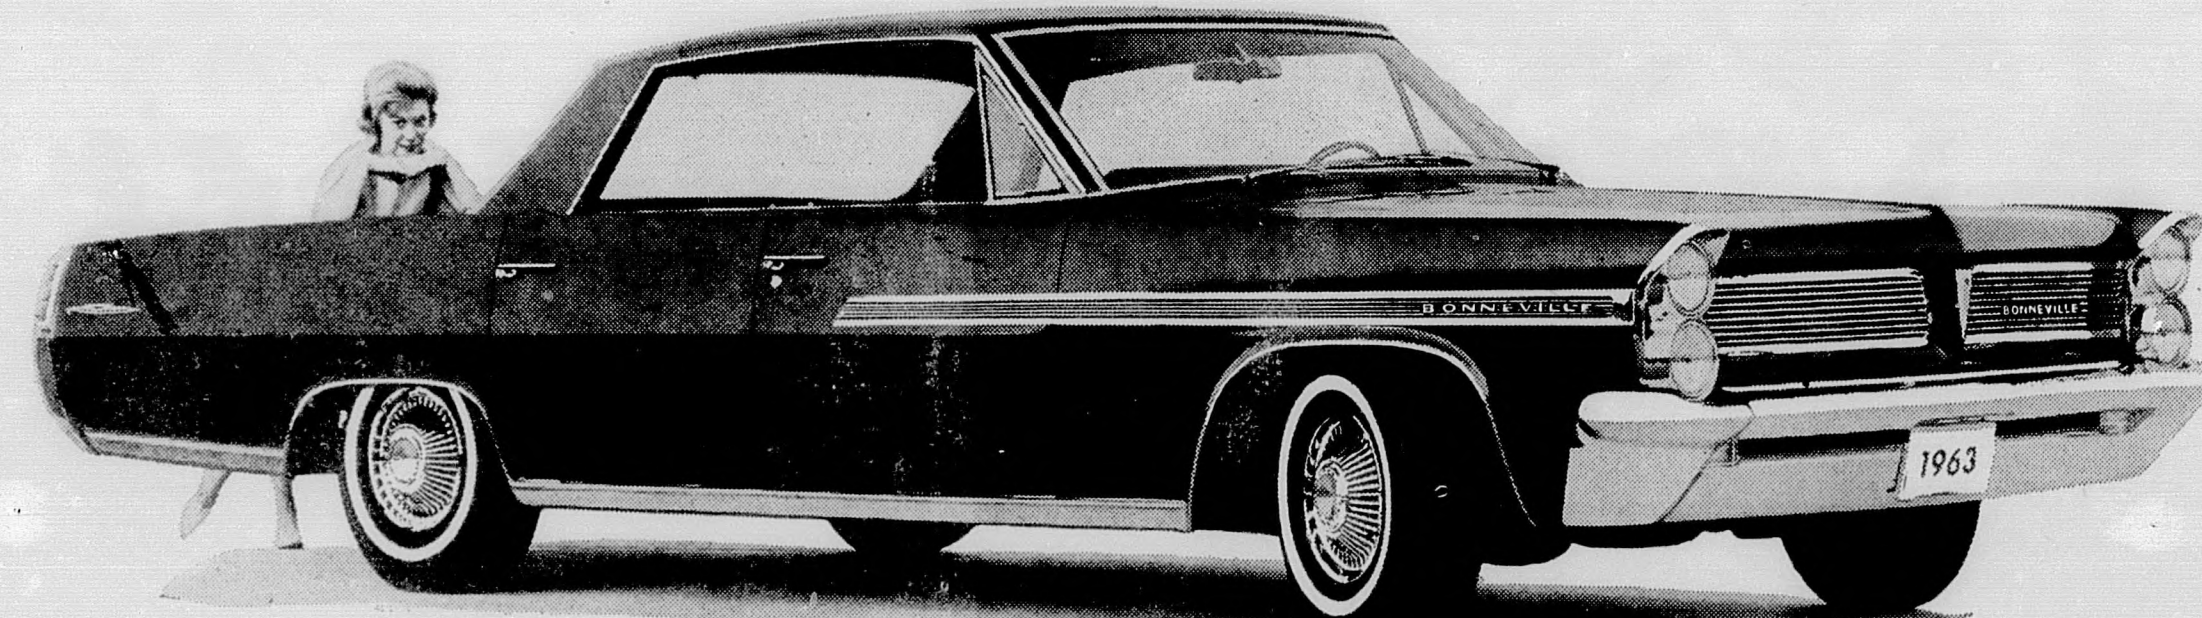

The surface of cartilage is three times as slippery as ice. Cartilage is that gristle or elastic substance between the ends of bones in joints which gives resiliency in motion. Without cartilage at the joints, there is friction like in a rusty hinge.

To have normal action at a joint, the formation of the bones that make the joint must be normal. Then the covering that lubricates the joint must moisten it just enough and not too much; the muscles that control the motion of the joint must function correctly; and finally the associated cartilages and ligaments must have strength and elasticity.

What causes a wearing out of the joints? Wear and tear in joints of the human body imply a deterioration of cartilage. This implied deterioration ranges in degree from mild thinning of a joint space to complete loss of all the cartilaginous surface.

Does the cartilage wear out and if so, what is responsible

and if so, what is responsible? Aside from congenital and developmental defects, there are many factors causing trouble at the joints, such as fractures, dislocations, sprains, wounds, infection, and neuromuscular disease. It has been shown that degeneration of cartilage occurs as a part of the aging process and is speeded up by injury or infection. But as for the effects of wear and tear in joints, this is only observable in those joints in which degenerative changes have already started. Authorities agree there is an evidence that

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track, too, and a full line of Trophy V-6's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned those happy touches as self-adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! Wide-Track Pontiac

Pearl Meacham and Betty Joyce Ellis, she a former "Miss Enterprise," sitting near us. . . . Elizabeth Miller, Grace Waters and Sue Young looking for an aisle seat. . . . Kate Murphree, Mary Alice Wise and Susan (Murphree) Davis making room for Margaret Haire next to them. . . . Maxwell Reeves Jr. looking debonair in a red gambler's vest and string

tie and possessed of a manner destined to cause girlish hearts to flutter.

"BLUE as the water mama used to wash overalls in" is the way husband Bob described Blue Lake and on our trip there Thursday we agreed. Not. Not. Not. We were agreeably surprised by the beauty and size of the camp. It is a fine tribute to the spirit and vision of those who developed it.

We enjoyed everything about the day, but particularly the meeting with friends and mutual friends. Sam Min-jon (Bates) Benton of Opp and also Mary Annie Benton, mother of Betty Dorsey, who to our way of thinking is one of the real true Christians who live their faith. At dinner we chatted with the nicest lady, a Mrs. Snipes from Florida, who asked about "Ola" Brunson and said they were friends long ago. As always we enjoyed Dr. Nichols of Andalusia who is District Superintendent. The general assembly gave us a chance to see Grace Water's sister from Crestview, who is charming.

THE DAY ended too soon. PVT. DONALD SAUNDERS RECEIVED TRAINING AT FORT JACKSON

Fort Jackson, S. C. - Pvt. Donald F. Saunders, son of Mr. and Mrs. James L. Sanders, Box 371, Elba, Alabama, has been assigned to Company A, 15 Specialist Battalion, 4th Training Regiment at Fort Jackson, for advanced specialist training in the Intermediate Speed Radio Operator's Course.

While a student at the school, he will be taught the use of the international Morse code, transmitting and receiving at a speed of 18 groups per minute. During the two-week course, he will also learn the different types of radio sets used by the infantry regiment, how to set up and operate each, proper radio procedure, and basic signal communications.

Capital Refunds Underway At Andy Electric Cooperative

ANDALUSIA, ALA. — Distribution of \$110,000 to Covington Electric Cooperative members as a patronage capital refund for this year, is now under way.

Some Covington Electric members have already received their refund checks. The work of issuing and delivering checks to all eligible co-op

members should be completed within the next 30 days, according to J. L. Bryant, Covington Electric President.

In all, more than 10,000 consumers who received service from Covington Electric during 1961, will share in the refund. Bryant said.

In each case, the amount refunded will be equal to 9.8 per cent of the amount of the consumer's power bills paid to Covington Electric during 1961—or approximately equal to one month's free service for the year just past.

\$110,000 patronage capital refund being made this year, coupled with the \$100,000 refund made last year, brings to almost a quarter of a million dollars the amount returned to Covington Electric members over the past two years.

SAVE SOUTHERN WOODS. SAVE MONEY!

You can do your banking "from home"

when you

We're as near as your corner mailbox, "open 24 hours every day."

You can bank at your own convenience (actually make your own "banking hours") when you use our Bank-By-Mail Service. Save time on busy days. Eliminate standing in line. Make deposits in your savings account or checking account (or both) by mail!

It's so easy, simple and convenient to bank by mail. We supply free forms and pay postage both ways. Look into this now!

Here's what the other '63's wish they looked like.

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track, too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! Wide-Track Pontiac

WHAT IS AN OTOLOGIST?

Answer. — A physician who specializes in the diagnosis and treatment of diseases of the ear. Most physicians agree that it may be dangerous to use self treatments for any ear problem. Sometimes your family physician will advise you to consult an Otologist, if your condition is complicated.

Most prescriptions for the ear are specially compounded under aseptic conditions requiring pharmaceutical skill.

YOUR DOCTOR CAN DIAL 897-2407 WHEN YOU NEED MEDICINE!

Pick up your prescription if shopping nearby. Or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Alabama Host

This Fall, Travel Council Entertains

MONTGOMERY, Ala. — Plans are complete for the Alabama Travel Council's annual Fall Tour which gets underway in mid-October. W. G. "Mac" McGrady, Mobile, president, has said.

Guests from 16 states, the District of Columbia and Canada will be in Alabama as guests of the Alabama Travel Council. The Fall Tour will end in Mobile October 21, and a Mardi Gras Ball, complete with pagani and costumes, will be one of the features for the guests in Alabama's Port City.

Travel within Alabama for the 33 out-of-state guests will be aboard a chartered bus with an Alabama Highway Patrol escort, and the guests will also take a Gulf of Mexico cruise aboard the State yacht.

Overnight stops are scheduled in addition to Montgomery and Mobile, in Birmingham, Fort Payne, Huntsville, Decatur, Tuscaloosa, and Dauphin Island.

Alabama's travel business has increased each year since the Alabama Travel Council started the Fall Tours in 1956. J. William Graham, Executive Director, said, and in 1961 travelers poured some 270 million dollars into the state's economy.

The travel experts who will visit the Heart of Dixie in October influence literally millions of motorists' routings and the majority of the guests will be from the mid-west where much of Alabama's potential travel starts. Guests will also be included from points as far west as Mexico and as far east as New York, Graham added.

ELBA

VETERANS AFFAIRS

The Annual Work Conference of your Alabama Department of Veterans Affairs came to an end in Montgomery, last Friday. When we use the term "work" in connection with the conference, that's just what we mean. All employees of the Department spent three full work days reviewing the various phases for Veterans and their dependents. Hundreds of questions which had been prepared by County Services Officers were answered and discussed in detail by various panels consisting of experts in their various fields, including members of your Department of Veterans Affairs, representatives of the Veterans Administration and others. Just to give you an idea as to how thorough the conference was, here are a few of the subjects that came up for detailed discussion: . . . Compensation and pension for living Veterans; . . . compensation and pension in death claims; . . . burial allowances; . . . medical, hospitalization and outpatient treatment; . . . insurance; . . . vocational rehabilitation and education; . . . loans; . . . legal matters and the Alabama GI Bill. In addition, some time was spent discussing the medical program and other benefits available to in-service personnel. Service Officers are often called upon for assistance by dependents of persons presently in service. Walter C. Head, Jr., Director of the Department of Veterans Affairs, called the Conference the most thorough and instructive he has ever attended during the Department's 17-year history. He stated that he is satisfied the purpose of increasing the

Billions to go up in smoke

WASHINGTON (AP) — Americans will smoke 47.5 billion cigarettes this year, spending a record total of \$6.88 billion for them, the Agriculture Department predicted today.

The consumer outlay for all tobacco products was forecast at more than \$7.8 billion. Spending for cigars would trail far behind cigarettes, with \$465 million forecast.

Knowledge of the Department's personnel so that they could return to their home Counties throughout the State and be better qualified than ever to serve our Veterans and their dependents. Among those appearing before the Conference were: A. W. Farmer, Director of Compensation and Pension Service, from the Veterans Administration's Central Office in Washington; . . . Harold O. Duncan, Area Director of Administrative Services, Atlanta; . . . Dr. Jack R. Jarvis, VA's Area Chief of Psychiatry, Atlanta; and John Corcoran, the American Legion's National Rehabilitation Director, of Washington. In addition, officials of all the VA Hospitals in Alabama were present. Governor-nominate George Wallace addressed the Conference at its annual banquet.

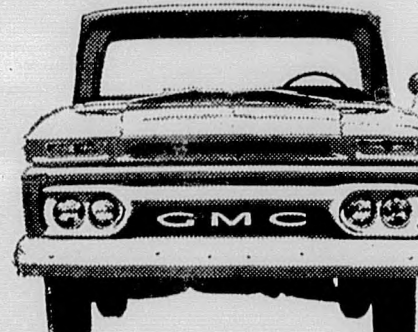

Veterans or dependents of Veterans desiring information on new laws or changes in new laws pertaining to Veteran benefits, are urged to contact Maxwell Reeves, Veterans Service Officer for Coffee County. He will be glad to assist you in any of your Veterans problems. The office in Elba is located in the Courthouse. The Enterprise office is presently located on West College Avenue, upstairs over Harold Collins Furniture Company. After October 1, the office will be in the Courthouse, in the office formerly occupied by the Solicitor.

Coffee Enrollment At Troy State College Amounts To 83

Final fall quarter enrollment at Troy State College was 2,020. Jeff McClain, assistant registrar, says that this number includes 763 freshmen, 682 sophomores, 308 juniors, 292 seniors, four special students, and one graduate student.

Troy's fall quarter students come from 43 Alabama counties, 20 other states, and six foreign countries. Counties with larger enrollments include Pike with 281, Covington 151, Montgomery 117, Houston 104, Coffee 83, Barbour 72, Dale 72, Butler 71, Crenshaw 70, Geneva 62, Escambia 54, Henry 42, Baldwin 22, Wilcox 22, Conecuh 21, Jefferson 18, Macon 18, Lowndes 18, Dallas 17, Autauga 13, and Lee 13.

Other students are from Tallapoosa, Chambers, Chilton, Cherokee, Clarke, Calhoun, Shelby, Fayette, Talladega, Franklin, Perry, Choctaw, DeKalb, Washington, St. Clair, Randolph, Blount, Tuscaloosa, and Etowah.

There are 250 out-of-state students from Florida, 65 from Georgia, and 15 from New York. Other states represented by one or more students are Wisconsin, Mich., N. J., Ohio, Pa., Ind., Ill., Conn., La., Va., S. C., N. C., Tenn., Wash., Mo.,

Haygens Member of Army ROTAPLAN In Germany

PORT BENNING, GA. (AHT-NC) — Army Sergeant First Class Edgar K. Haygens, 36, son of Mrs. Mary Tiner, Route 3, Elba, Alabama, is a member of an advance party from the 1st Battle Group, 38th Infantry, stationed at Fort Benning, Georgia, which departed on September 17 for six months' duty in Germany. The party will act as liaison for the battle group which is scheduled to arrive in October.

The battle group is a pilot unit selected to test "ROTAPLAN," the Army's new rotation system of troops between the two continents. Under the new system, battle group-sized units will be stationed in Europe for six months and in the U. S. for 18 to 36 months.

Sergeant Haygens, who entered the Army in April 1950, is supply sergeant of the group's Company C.

Glenn McCord, Charles Maggart, Robert Manning, Carl Meek, Daryl Messina, Linda Mixson, Jerry Morrow, Sara Nichols, Charles Oliver, William Reed, Cleo Roberts, Joseph Roberts, Charles Rowe, Kathryn Smith, Neil Spurlin, John Stewart, Stricklin King, Howard Tindall, Gary Parrish, James Waters, Tommy Whitehurst, Claude Wilder, Andy Wilson, Martha Wilson, and Daniel Vaughan.

ASK ME

By Chuck Reichlum

Dr. H. J. wants to know if most World Series have lasted four, five, six or seven games. A. Most have gone seven games. There've been 18 7-game Series; 13 6-game Series; 14 5-game Series and 10 4-game Series.

From A. B.: Did any football team lose every game they played last season? A. Seven did—Brown, Colorado State, Hardin-Simmons, Illinois, RPI, W&J, Washington of St. Louis. It'll be interesting to see if each one has better luck this year.

From several readers: Are there any pro football players who never played college ball? A. There are some, but not many. There's "Big Daddy" Ligon, of Pittsburgh, John Gonsaga of Detroit and Al Hall and Tom Wilson of Los Angeles.

From J. L.: When was the last World Series played entirely in one park? A. 1944 when the Cardinals and Browns won the pennant.

G. M. asks: When was the last unassisted triple play in the majors? A. There's a real oddity connected with this. Last unassisted triple play was May 31, 1927. But, the last one before that was the day before! Thus, there were two days, and then none in the last 35 years.

R. E. D. asks: Which is America's oldest football stadium? A. Harvard Stadium. It was the first concrete stadium built for football in this country. It was completed in 1903.

G. M. asks: Which college has had the best football record over a long period of time? A. Here's a surprising fact. Since the end of World War II, only one major college has had a winning football season every year. That school is Penn State. Every other college has had at least one losing season in the last 16 years.

From R. H. E.: Name the three fastest pitchers today. Players tell me Sandy Koufax is the fastest, followed by Bo Belinsky and Steve Barber.

C. S. writes: We're trying to settle an argument whether Mickey Mantle or Willie Mays is the greatest centerfielder today. Could you tell us if one of them has been picked for more All-Star games than the other?

A. Mantle was picked and Mays wasn't in 1962 and '63, but Willie was in service then. Since 1954, both have made it each season.

M. B. L. writes: Somebody told me Sonny Liston can't read or write. Is that true? A. Just about Liston can now write his name, and he's been taking lessons. But, until recently, he was illiterate.

From several readers: Did Babe Ruth ever play on any other team beside the Yankees? A. He began his career with the Red Sox and ended it with the Braves.

From several readers: Which baseball stars are not married? A. Some of the baseball's most eligible bachelors: Bo Belinsky, Chuck Essegian, Chuck Estrada, Sandy Koufax, Bill Monbouquette, Boog Powell, John Podres, Rich Rollins, Don Schwall. Go get 'em girls.

You may send your sports questions to Chuck Reichlum, Box 1041, Pittsburgh 30, Pa.

Carton Basket

Empty gallon-size ice cream cartons will serve as gay waste paper baskets in a child's room. If cleaned, decorated and sprayed with shellac from an aerosol can.

STRENGTH FOR THESE DAYS

This is my commandment, that ye love one another.

The more you hold to our vision of every person we meet as a child of God, the easier we find it to come to know and understand others, and the happier is our association with others.

Damascus HD Club

Officers Instructed In Responsibilities

The officers of the Damascus 411 Club met for a training session on Monday, September 24, at Damascus Jr. High School.

The purpose of the training meeting was to help understand the duties and responsibilities of club officers.

Mr. Lashley and Mr. Thompson led the secretaries, reporters, and devotional leaders in their training session. Mrs. Hutchison and Mrs. Fleming, Home Demonstration agents, led the presidents, vice presidents, song leaders, and game leaders in their group meeting.

After the group meetings the group assembled for a mock club meeting.

SMALL MISCHIEF

I call Bruce my combination angel-terror. Soon he will be four, and he is a fascinating mixture of mischief and goodness.

At bedtime, I always tiptoe into his room to be sure he's covered. Then it is that I am struck by the innocence of his face in sleep. Then it is that I realize how helpless is this small dynamo, who plunges with such boundless energy about our house and yard all day. Then it is that I am struck by the awesomeness of my responsibility.

I realize it is entirely up to me to see that Bruce learns right from wrong, to see that he grows into the sort of man who will be a credit to his family, his community, and his country. I must teach him to keep a steady heart and a level head, to resist the many temptations that will be strewn in his path, to hold honor and truth and integrity high.

When I think of my task, I send a small and special prayer to God to aid me. And I thank God for his Church on earth which, for years to come, will be helping me, again and again, in making my small mischief into a man.
